

# In our chase of a vision, first milestone is surpassed!

Visitors count for ENEFINDER has just crossed 1,000,000!

While we chase our vision with patience and sustained efforts, milestones are passed and new records are created. With the support of all visitors around the world, we could achieve this and are aware that this is just a beginning and we still have a long way to go!.

During the past few years, ENEFINDER has evolved into a fully grown and mature web portal, has added many features in line with customer feedback and changing market requirements.

During all these phases of change, our viewers and members have been with us and the number is increasing. This indicates their confidence and increased popularity of ENEFINDER.

With features like 'Business Networking', 'Product Comparison', 'Excess Inventory disposal platform', 'Articles', 'News & Events', 'Tenders & RFQs', 'Product Promotion & Branding opportunities', and 'Kaleidoscope', we are confident, we will achieve still higher goals and reach further milestones with your support.

With present outfit and features, ENEFINDER will continue to be exclusive and focussed online platform for industrial Electrical, Electronics & Automation products and services.
